This cap sealer machine offers the user a variety of features and settings to optimize output for any job.

If you are looking for a larger scale cap sealer, take a look at our SSC 600 Cap Sealer Machine.

Product Description & Specifications

Sleeve Seal SSC-300 Cap Sealers

The Sleeve Seal Cap Sealers offer the same rugged label drive train as our vertical labelers with rapid tool-less changeover from format to format.

Our bottle cap sealers utilize identical drive trains that our vertical shrink labelers use, allowing the user to change formats quickly and effortlessly.
